Smallest: _____

Digits: **5, 1, 8**

Biggest: _____

Smallest: _____

Digits: **4, 9, 2**

Biggest: _____

Smallest: _____

Digits: **6, 0**

Biggest: _____

Smallest: _____

3 Mystery Number Clues

Read the clues. What number am I thinking of?

Clue 1: I am between 40 and 50.

Clue 2: My tens digit is 4.

Clue 3: My ones digit is bigger than 6.

Clue 4: I am an even number.

My thinking: _____

My number is: _____

4 Number Talk: Compare Without Writing

Number Talk — Explain WITHOUT writing the numbers.

Is "6 tens and 3 ones" bigger than "3 tens and 6 ones"?

My thinking: _____

Is 59 closer to 50 or 60? How do you know?

My thinking: _____

5 Challenge: Create Your Own Mystery

Create Your Own Mystery Number

Think of a number. Write 3 clues about it (use comparison words like "bigger than," "less than," "between"). A classmate tries to guess!

My secret number: _____ (don't show anyone!)

Clue 1: _____

Clue 2: _____

Clue 3: _____
